

DIY Flower CROWN

by: Little Scandinavian & Lady Lucas

You Will Need

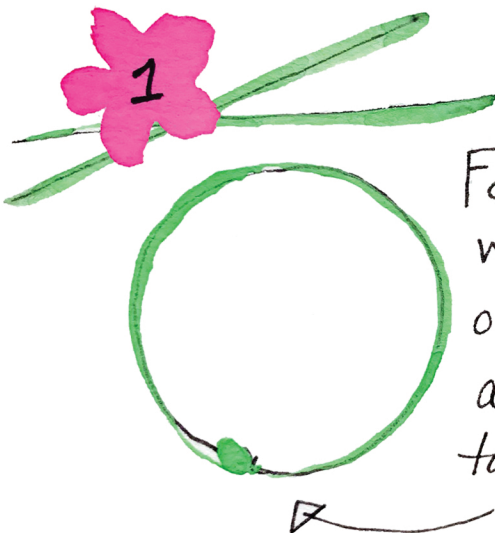

floral tape

floral wire

wire cutters

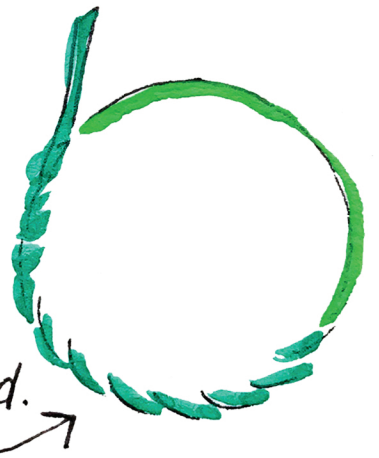

Flowers & leaves w/
stems

1
Form a circle
with long pieces
of floral wire
and twist
to close.

2
Wrap wire
wreath with
floral tape
all around.

← || ←
Add greens while
twisting more
tape around the
base of each stem.

Now the
FUN
PART!
← leave a few
inches of stem
Add flowers with
floral tape ♡

Reinforce the base of
each leaf and flower with
extra wire if you wish.
